

***** UPDATE: NOVEMBER 2024 *****

If you are playing at Green Note and travelling by car, please be aware of the harsh **NEW PARKING REGULATIONS** outside our venue:
Parking is no longer free from 6.30pm.

On Parkway, parking is now pay & display until 11pm and you can only park for a **maximum of 2 hours.**

This pay & display parking is only available from 6.30pm, so not much help for the whole evening.
There is absolutely no parking Monday - Friday 4pm – 6.30pm but unloading outside with hazards can be done at your own risk (but keep an eye out for wardens if you do so!)

For this reason, we suggest parking in **Gloucester Avenue** and surrounding streets (free on weekends and on Mon-Fri from 6pm)

Or **Albert Street** (free Mon-Fri from 6.30pm and Sat-Sun from 5.30pm in bays with CA-F and some pay & display bays)

Do check signs as things change at short notice!

A map of where we suggest to park is below
